<b>Please explain the rationale for delivering the instruction in the courses selected above for each grade level.</b>			
<p>K: The classroom teacher will provide instruction on Substance Abuse. The classroom teacher was chosen because of the young age of the students as well as the relationship he or she has with students, parents, and guardians. The teacher will be allowed to use discretion as to which subject/time of day he or she chooses to implement the required Substance Abuse instruction into the school day.</p> <p>1: The classroom teacher will provide instruction on Substance Abuse.
